Dear Phil,

I am dropping you a line to say how pleased we are with the furniture you kindly donated and installed – it fits and looks great in our new office.

This was a real lifesaver for us in getting our new team at RVA up and running since the budget we had available just wouldn't have coped otherwise.

Once again, thank you very much on behalf of Reading Voluntary Action and the new 'Stronger Together Team' which is now up and running in support of local voluntary and community groups.

Anne Laing will be in touch shortly to discuss joining in the publicity for our launch, when I look forward to meeting you.

Best wishes,

A handwritten signature in black ink that reads 'Paul'.
